RECIPE

Strawberry Shortcake Rice Krispies Treats

Ready in **45 minutes**

Serves **15 people**

Ingredients

- **1/2 c. (1 stick butter), plus more for pan**
- **1 (12-oz.) bag marshmallows**
- **8 c. Rice Krispies**
- **2 1/2 c. white chocolate chips, divided**
- **2 1/2 c. freeze-dried strawberries, divided**

Preparation

Grease a 9"-x-13" baking pan with butter.

In a large pot over medium heat, melt butter. Add marshmallows and stir until completely melted. Remove from heat and stir in Rice Krispies.

Fold in 2 cups white chocolate chips and 2 cups strawberries. Pour into the pan and smooth top, being careful not to pack Rice Krispies into the pan too much.

In a microwave-safe bowl, melt remaining 1/2 cup white chocolate chips in 30-second intervals until smooth.

Drizzle over Rice Krispies, then top with remaining 1/2 cup of strawberries.

Let sit until cool and chocolate has hardened, 30 minutes.
